STATE ENVIRONMENTAL POLICY ACT

Determination of NonSignificance

September 6, 2022

Lead agency: Western Washington University
Agency Contact: Sherrie Montgomery, Project Manager (360) 650-6519, montgos6@wwu.edu
Agency File Number: NA

Description of proposal – The proposed project site is located in the WWU neighborhood in Bellingham, Washington. The site is situated in the south portion of the WWU Campus.

Location of proposal – Western Washington University, Main Campus, Bellingham WA.

Sherrie Montgomery, WWU Project Manager. 516 High St, MS 9122, Bellingham, WA 98225-9122. Phone (360) 650-6519.

Western Washington University, for this proposal, has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2) (c). This decision was made after review of a completed environmental checklist and other information listed below and on file with the lead agency. This information is available for public review at <https://cpd.wwu.edu/pw787-south-college-drive-improvements>, or through:
